WEXLER, District Judge

A January 30, 2006, memorandum and order of this court (the "January 30 order") affirmed a November 28, 2006 order of Magistrate Judge Wall. The recitation of the facts in the January 30 Order mistakenly characterized the order of the Magistrate Judge as awarding expenses to Plaintiff. In view of this mischaracterization, the Memorandum and Order of January 30, 2006 is hereby amended to reflect the fact that expenses were awarded to Defendant and not to Plaintiff. In all other respects, the January 30 order is unchanged.

SO ORDERED.
